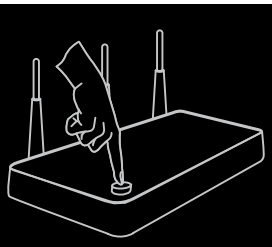
Data sheet: WL-321

Product code : WL-321
Product name : 300N Gaming Adapter
EAN code : 8716502020416

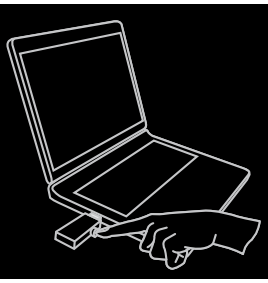
The Wireless 300N XR USB Gaming Adapter is ideal for the fanatical gamer who expects optimal gaming performance and hardcore users who want to optimize their network and internet experience. Simply plug this adapter into your desktop PC or notebook, and you'll be able to connect this computer to any wireless network.

In combination with a Sitecom 300N XR Router you can reach extremely high wireless throughput speeds, and over far greater ranges. Thanks to the integrated WPS button you can establish a connection and protect your network with the push of a button, including full security according to the latest WPA standard.

1 Push the WPS button on the router



2 Push the WPS button on the adapter



3 **Start gaming** You now have a wireless connection with optimal WPA security
